- Is it going to be published by Rorschach Publishers? Or by good old Redemption Books?
- Good question. I will try to answer, as the Author. is totally not interested in getting involved. I mean with practical boring stuff. They say. This international illustrated edition will fit in Rorschach portfolio, so,

me, as the humble translator, did approach them. We will see, but chances are more or less quite promising.

As for "good old" Redemption Books: they did publish the original non-illustrated Banizbatian original. I mentioned it once, and they agreed, this glossy edition would be a little bit out of their league and too big piece of cake.

- Dear Bear.

Thank you for giving me this opportunity. I loved the thread with Akiyas and One-Way-Tunnels. As "Dreams" is one of my all-time favourite.

Here I take liberty to send you the alternative image for Akiyas, It is named Kajtek,

honoured to have Kajtek
